

Does Advocacy seem overwhelming to you? The USA Caucus has a very **EASY** but **IMPACTFUL** way to advocate for US legislation that builds a better world for women and girls. Fast Action Fridays (FAF's) are pre-prepared messages to legislators asking them to support specific laws that benefit girls and women. FAF's are generally sent every other Friday--all you have to do is click to send the message through email or text. Sign up in two ways:

1. **Register at <https://www.votervoice.net/Zonta/home>** or by clicking on the **FAST ACTION** button at the top of each page of the Caucus **website**. Add **donotreply@votervoice.net** to your email contact or "safe senders" list to help avoid FAF's going to your spam folder or getting blocked.

2. **Sign up for Text Alerts by texting the word "Zonta" to 50457** (instead of a phone number). You will receive FAF's by text and can take action quickly directly from your phone, while on the go.

Won't you take the 30 seconds required to advocate for women and girls? Together we can send a strong message!

Support the Equal Rights Amendment

The Zonta USA Caucus urges all Zonta members to support the SIGN-4-ERA Petition, a national campaign asking Congress to recognize that the ERA has been ratified by the necessary 38 states and should be recognized as the 28th amendment to the Constitution. The petition has nearly 100,000 signatures with a goal of over a million. The Campaign is an easy way to get members, friends, and colleagues to support the ERA.

The Caucus asks all clubs and members to:

1. Sign the petition: use the Zonta-specific <https://www.sign4era.org/?Zonta> or QR code below. Add the code to your phone to share easily.
2. Share with others; ideas in the toolkit: <https://www.sign4era.org/era-toolkit/>
3. Ask your mayor or a mayor you know to take a photo with you as they sign the petition, submit to team@sign4era.org, and they will write a press release and send to local news entities, if the mayor agrees.
