Zonta International—Advancing the Status of Women World Wide

Governor Sally Rankin

Dear District 10 Zontians,

It's that time of year—area meetings are behind us and the clubs are in the midst of installing new officers for 2004-2005.

We had three great area meetings.

Lake Murray was the site for the Area 1 meeting, "Get Hooked on Zonta". The setting was beautiful, the team building fun and

the meetings informative.

The Area 3 meeting was at sunny South Padre. "Zonta International University" featured a motivating opening speaker, lots of great sessions and a Saturday night boat trip to see the dolphins (and we did)!

Lafayette hosted the Area 2 meeting, "Expand Your Mind". Dr. Karolynn Echols, the Chief of Gynecology and Reconstructive Surgery, gave a memorable luncheon presentation about the work she has done in Africa. Classes really did "Expand the Mind" and Area 2 raised the most money on behalf of the Zonta International Foundation. **Danita Utsman** was elected the Area 2 director for 2004-2006.

Please remember that area meeting provide a terrific opportunity to meet and learn from others in the district!

All members should plan to attend, not just the officers! Make a special effort to be there next year. Kudos to **Sharron, Karen** and **Tricia**, great job gals!

As the end of the 2002-2004 biennium comes to a close we are all eagerly anticipating the Zonta International Convention in New York City. We will be electing international officers, voting on by-law changes, and voting on international service projects. International Treasurer/Secretary **Darlene Kurtz** presented the by-law changes and service projects at each area meeting. I encourage each club to discuss these issues so your delegate will have some direction from you when it's time to vote.

The 2004-2006 biennium will begin July 8th with the installation of the newly elected officers. Governor elect, **Maggie Warren**, will begin two whirlwind years that will be challenging and rewarding. Her love for and commitment to District 10 will help us to grow and to become a stronger District. She has challenged us to grow, to recruit younger members, to work as teams to reach our potential and to become leaders in our communities and in Zonta. **We can do it!**

Finally, thank you for your love and your support these last 14 months. You can't believe how proud I am to be the governor of this great District! It has been an absolutely amazing time and you all have been unbelievable. I will not forget any of you! Thanks to all of you that served as committee chairmen

Governor's Message Continued

To **Barbara Yoder**, our Foundation Ambassador, congratulations on a remarkable job. We raised more money for the ZIF than ever before! To **Pris Truesdell**, thanks for an absolutely fantastic District newsletter. A very special thanks to past governors **Mary Brower, Carol Rainey, Candi Ward** and **Mary Frances Gardner**, every time I've called on you for anything, you have been there. And last, but far from least, thank you to the greatest Board in the world, **Maggie Warren, Kayleen Kill, Sharon Graves, Sharron Miles, Tricia Santogrossi, Karen Elbert** and **Donna Dodgen**. You have my admiration, my utmost respect and my love. It would have been impossible without you.

See you in New York! Love to you all,

Sally

Foundation Ambassador

Barbara Yoder

Dear District 10 Zontians:

The biennium is coming to a close and the April financials are compiled. Overall 97% of the total foundation goal was raised. Our district continues to be generous with a total of \$109,822. Overall we are the 8th district in giving, but miles ahead of 2000-2002. (I noticed that 5, 6 and 7th places are all in the \$113,000 range so it is a close contest.)

If you were at an area meeting you saw that last biennium we gave collectively \$102,500 (wow and I mean wow), we are more than \$7000 higher. Thank you, clubs, for increasing your service money and more thanks to each individual giver for giving from the heart, the **BIG** District 10 heart.

We give because of the magic of the international mission. Yes, ladies, I can tell all the other foundation ambassadors. District 10 is not just a visitor.....we are **living** international. We have unpacked our bags and hung up the pictures. We are ambitious and want to serve locally and through the international objects of Zonta as well.

Here are the Area standings after our spring meetings. I am thrilled with everyone's effort and loyalty!

Area 1: \$32,077

Area 2: \$37,272

Area 3: \$39,533

BE WELL AND HAVE A GOOD ZONTA DAY!

As always if you need help email me at bryoder@swbell.net

Governor's Thank You

The members of District 10 were challenged to raise their contributions to the Zonta International Foundation by 10% this year.

Eleven of our 29 clubs met the challenge. A huge "Thank You" to: Fort Smith, Johnson County, Mineral Wells, Houston, Longview, New Orleans, Brownsville, Fredericksburg, Harlingen Inc., New Braunfels and West Hidalgo.

Domestic Violence Resolution Update

The domestic violence resolution was presented at each area meeting. To act as a District, fifteen (15) clubs must respond either "for" or "against" the resolution before June 15th. To date, nine (9) clubs have responded so we need to hear from six (6) more clubs. Even though this is a Texas issue at this point, clubs from our other states are encouraged to respond also.

Senator Eddie Lucio, husband of Minnie Lucio, Zonta Club of Brownsville, has agreed to sponsor the resolution in the state senate.

Lieutenant Governor

“I CAN DO WHAT YOU CAN’T DO, AND YOU CAN DO WHAT I CAN’T DO; TOGETHER WE CAN DO GREAT THINGS.”

Mother Teresa wasn’t necessarily speaking of Zonta when she made this very powerful statement, but she certainly could have. Our energetic and inspired group of leaders, who are committed to serving, will be effective and take District 10 to new levels of excellence and influence in the Zonta world. **Together, we can and will**, make a difference and improve the status of women.

Area 1 Meeting

The Central Oklahoma club did a super job of hosting our Area 1 Meeting at Lake Murray! We had a great time in a very relaxed setting! We learned a lot about Zonta and did some

team building activities. Thanks so much to our District leadership team—Sally, Maggie, Dar, Sharon Graves, Barbara, Karen and Tricia for supporting the event and helping with presentations. Of course we also had out experts to help us along: Susan Meyer, Karon Lowe, Phyllis Worrell, Missy Fletcher, and Ruby Smith. LouAnna and her team from Oklahoma could not have planned a better conference. Great job!!

Fort Smith

We have a record number of ladies going to New York Those who plan to attend are: Jo Carson, Alice Honea, Sheryl Flanagan, Linda Teague, Dolores Chitwood, Kathleen King, JoAnn Gedosh, Kathy Coleman (new prez), and Cathy Williams (old prez).

Granbury

Mary Ward was voted "Woman of the Year" for Granbury. She happens to be the VP of the Zonta Club of Granbury.

Johnson County

Ft. Worth ladies Chantal Carey and Lee Ann Gierisch attend Johnson Co Intercity

Johnson County had their intercity event in May. It was a hat style show. Awards were given in several categories. New Officers were installed by District governor Elect Maggie Warren. Clubs represented were Weatherford and Fort

Worth. Johnson County 2004-05 Officers installed:

Mineral Wells

On March 25 at American Legion Post 75, American Legion Auxiliary National Security Chairman and former Department of Texas President Nina Swink stopped by the local American Legion Post 75. She made presentations to two groups for their support of the "Sock It to the Troops" campaign. The two groups were Zonta International Club of Mineral Wells and the Farris Anderson Auxiliary Unit of American Legion Post 75. This campaign collects white socks to be sent to troops in Iraq and Afghanistan stationed or located where there are no laundry facilities. These socks can be worn a few times then thrown away. So far, over 26,000 pairs of socks have been distributed.

Department of Texas American Legion Auxiliary President Lynda Horton-Turk is both a member of American Legion Auxiliary and Zonta International Club of Mineral Wells. At the last meeting of Zonta, Lynda spoke of the "Sock It to the Troops" campaign. Lottie Williams, Zonta member was so impressed; she donated several pairs of socks on behalf of Zonta to this project.

National Security Chairman Nina Swink was very pleased with the donation. She visited the Local Unit of American Legion Auxiliary on Thursday, March 25, to personally thank Auxiliary members and Zonta members for their support of this much needed assistance. Pictured below in United Effort to Support Troops:

Area 1 Continued

On February 9, 2004 Zonta Club of Mineral Wells held its Status of Women Luncheon. Approximately 200 people attended. Featured speaker was state Senator Creig Estes. He was asked to say a few words. Three women spoke briefly of their careers and how women have advanced in their professions. Club President, Mary Creighton, concluded the program with reminding the audience that Zonta is an international organization and that we not only want to raise the status of women in Mineral Wells but help women all over the world gain the opportunity to advance.

Senator Creig Estes and Travis Cadets

Travis Cadets from Mineral Wells Travis Elementary sang for the group as they ate. Senator Estes was very impressed by their talents and enthusiasm.

Weatherford

The Zonta Club of Weatherford recently had their 2nd Annual Casino Nite on May 1, 2004. The event was held at the beautiful Canyon West Clubhouse west of Weatherford off I-20. The two-story clubhouse has a breath-taking view which looks over 4 counties. Members of the club earmarked proceeds from the event for scholarships and the “Bunk House” project, a homeless shelter for youth and families, needed in the Weatherford and Parker County area. Members of the HOPE Foundation and the Zonta Club of Weatherford were on hand for the event and proceeds exceeded last year’s total.

Young Women in Public Affairs

Sharon Hebert, District Chair

Thank you to all the clubs that participated in the YWPA award program this year. We had 10 clubs competing from Oklahoma; West Hidalgo; Dallas; Johnson County; San Antonio; Houston; Lafayette; Shreveport; Fredericksburg; and Brownsville. The District recipient hails from the Zonta Club of Houston. Her name is Hiba Siddiqui and she is originally from Pakistan. Congratulations to Houston and to all the participating clubs.

It has been an honor to serve as the District Chair for the past two years and I have enjoyed myself thoroughly in this capacity. I hope to see all clubs participating one day. Thanks again for your support.

Pictured below is Hiba Siddiqui accepting the District check from Sally Rankin. The second picture includes Hiba’s parents and Suzi Feickert, the YWPA chairman for Houston.

Installations

Area 2 Director Patricia Santogrossi had the distinct privilege of presiding over the officer installations at the May business meetings for the **Shreveport Zonta Club** on the evening of the 10th at the Kon Tiki restaurant and for the **Zonta Club of Longview** at noon on the 11th. Each was a solemn and professional occasion demonstrating the finest leadership qualities in Zonta - until the "Don" stepped up for a little fun and made each of the new officers "an offer that they could not refuse" in newly designed "Mafia installation".

Shreveport will be lead by President Terri Catlett, 1st Vice President Sue Kirkland, 2nd Vice President Jane Saxton-Davis (not present), Treasurer Chris Pastilong, Recording Secretary Laurel LaRue, Corresponding Secretary Janet Blount. New Directors (2004-06) Clydie Mitchell, Lynda Petree and Anna Sepeda will join Nancy Guin, Marsha Millican, and Gwen Mitchell on the Board.

Longview will go into the next biennium under the leadership of President Kay Heinsohn, President-elect Bonnie Bogue, Vice President Sheila Rainer, Treasurer Jo Salmon, Assistant Treasurer Hazel Howell, and Secretary Bonnie Swick. Directors beginning their 2 year term include Mandy Knuckols, Lana Schindler, and Judy Stiles. These three will join Directors Laura Lott, Diane Morgan, and Jan Statman who will serve the remaining year term.

Let's all give these terrific women the thumbs up and be sure to get to know them at Area meetings and District Conferences in the coming biennium and beyond!

Governor Sally Rankin installed the new officers at the **Lafayette** and **Houston** clubs.

Longview Antique Show

Area director Patricia Santogrossi of the **Houston Zonta Club** was accompanied on the trip to **Longview** for their

Tricia Santogrossi, Director

30th Annual Antique Show at Maude Cobb Community Center on March 5 & 6th by relatively new Houston Zonta member Brenda Wilkins. Little did we know that we would become the focus of an article in the local newspaper.

It is often said of Brenda that she has never met a stranger. I can attest to the power that she has to meet and make friends anywhere and at anytime. And she is extremely well known throughout the world of antiquing in Texas. It was great to be in the company of a pro at a beautifully rendered show. Congratulations Longview!

We enjoyed not only the notoriety but the incredible hospitality of the Longview Club. When I was unable to compete for even a taste of one their world famous Banana Split cakes, soon-to-be Area 2 Director Danita Utsman offered to make me a whole one. True to her offer, she brought it to the Area Meeting in Lafayette nearly two months later! It was scrumptious!

Cleburne Official Visit

The exchange visit of the Area 2 director was made to Area 1's Johnson County Club in Cleburne. Area 1 Director Sharron Miles and International Treasurer picked me up in Dallas after I had attended the American Association of Petroleum Geologists annual meeting. This was not the first time Sharron had been my chauffeur. She had also ferried Governor Sally and me from the airport in Dallas to her fabulous Area 1 meeting on Lake Murray in Oklahoma.

Special thanks go to Darlene Kurtz for providing me with deluxe accommodations. Governor Sally Rankin provided the program to review the resolution to petition the Texas Legislature for an integrated state registry for domestic abusers. The Johnson County Club became the first club in District 10 to endorse advocacy at the District level on this issue.

Area 3 News

What a wonderful two years this has been. As I get ready to turn the Area 3 Director duties over to Jo Ann Krauskopf, I look back and wonder where the time went.

It's been an incredible experience as I have gotten to know so many of you and I have seen first hand the diverse, talented, and dedicated women that make up Zonta International clubs.

The women from District 10 Board are a very special breed and I feel privileged to have served with them. To see the deep held beliefs and the passion that make them give up so much of their time and energy to devote to Zonta was inspirational.

I will repeat what I stated at area meeting, I didn't accomplish half of what I wanted to, but I learned twice what I expected to. I can't begin to tell you what you all have meant to me. Your help, your support, and your encouragement were phenomenal.

Please believe me, this is an experience I would wish for all of you. Every one of you should consider taking on this position. It is personally rewarding and when finished, your knowledge and understanding of Zonta International will be tenfold.

All I can say is a very simple *THANK YOU* for allowing me to serve.

Austin

President *Leigh Schlett* has been on maternity leave and we all send her a round of congratulations and know that in spite of the brand new baby she will continue to lead the Zonta club of Austin to bigger and better things. Best wishes to Past President *Patty Terrell* who announced her wedding on May 1st. She will be making her home in The Woodlands, TX. She has a very romantic story to tell. Kudos for *Lynn Altemeyer* who received her Masters in Public Administration Degree from Texas State University on May 14, 2004

Karen Elbert, Director

Brownsville

A busy time for Brownsville, the photo shows the Woman of the year award be-

ing presented to Commissioner Sally Arroyo by club president, Ruth Hunter. Also shown are 1st V.P. Laura Gilmore, Karen Elbert, and Judge Elia C. Lopez.

Other newsworthy items from Brownsville, they had a most successful golf tournament due to the very talented fund raiser Kathy Jennings and the diligent work of the entire club. Their first male member, Mr. Augustine Anduiza, was among a total of five new members for their club and he was installed at the May meeting. Governor Sally joined the club for the May meeting, installing new officers, and taking part in the service award banquet. It was a very special evening for all there as each recipient of service monies spoke to the club. The students that received scholarships spoke so poignantly, there wasn't a dry eye in the room.

Fredericksburg

The Relay Walk was MOST successful. The club came in No. 2 among all the money raisers and was the No. 1 "organization" money raiser. Zonta also won the "Best Campsite" award for having the best decorated booth. GOOD JOB.

Jo Ann Krauskopf is all set to take over the duties of your new Area Director and will do such a great job too.

Don't forget!!! This is where our next conference is being held and WOW—Do they ever have a terrific time planned for all of us!

Harlingen, Inc.

One goal of Harlingen Inc. is to get the name of Zonta before our community and one of the ways we are doing it is to wear our brightly colored aprons.

Harlingen 2

Club members were the very gracious hostesses for the Area 3 meeting and I wish to thank every one of them, especially **Mary Brower**, for ALL her hard work and for seeing to it that we all had a very good time.

New Braunfels

The saddest Area 3 news comes from New Braunfels. President **Joanna Lewis** has announced that the club will disband. This club has faced some insurmountable difficulties and it is with a great deal of sadness they have made this decision. The

wonderful women of that club have done so much good for their community it was a heartbreaking thing for them to do. I know that they will continue to be a part of Zonta ideals and perhaps, when the time is right, try it again. We all wish these terrific ladies all the best in the world.

San Antonio

President **Ruby Bainum**, reports "The Youth Alternatives book sales provided us with not only a means of serving Youth Alternatives, but also a chance for great camaraderie despite the long hours. Now we must take time to read those books that we all purchased. Although our numbers have been decreasing, our spirit and commitment have not."

You can see the ever glamorous indomitable San Antonio president relaxing here on the dolphin watch tour at the Area 3 meeting.

West Hidalgo

Ann McNallen would like to thank all who sent get well cards after her sur-

gery. She reports that the surgery was very successful, and she played in the Texas Senior Women's Match Play Championships winning Consolation in the 4th Flight. Ann thinks the increased blood to her brain helped her golf!!

The Zonta Club of West Hidalgo each year honors three women in the fields of Community Service, Business and the Professions, and Education and Youth Activities for their outstanding contributions over the past several years. On April 20th, an awards banquet was held at the Club of Cimarron where the honorees were recognized for their continued activities.

Zonta President, **Mary Nell De La Garza**, presented each honoree with a crystal trophy. Approximately 100 people attended the Awards Banquet to show their support and admiration for the three Shining Stars of Hidalgo County for 2004. This has always been a wonderful event and a great tribute to woman that make a difference.

Dallas Honors Dr. Ruth Guy

Dr. Ruth Guy, one of the nation's preeminent clinical pathologists, was the guest of honor at a May 8th luncheon hosted by the Zonta Club of Dallas.

Dr. Guy, a native Texan, worked as a pathologist and educator for over 25 years. Her credits include establishing the Department of Pathology at the University of Texas Southwestern Medical School and becoming an honorary fellow of the American Society of Clinical Pathologists. In 1989, Dr. Guy was inducted into the Texas Women's Hall of Fame in Austin.

Dr. Guy has held almost every board position and has chaired almost every committee for the Zonta Club of Dallas. She has been a member of Zonta for 50 years.

The luncheon honoring Dr. Guy coincided with the 80th anniversary of the Zonta Club of Dallas.

International Treasurer/Secretary Darlene Kurtz and District 10 Governor Sally Rankin present the Zonta International Meritorious Service award to Dr. Ruth Guy. Dr. Guy has been a member of the Zonta Club for 50 years.

Attending the luncheon honoring Dr. Ruth Guy was Past Governor Mary Frances Gardner (2002-2004), Governor Elect Maggie Warren, Governor Sally Rankin, and Past Governor Pat Gordon (1982-84).
